

# JACKSONS HILL LAND USE STRATEGIES

Melway Reference 382 D8

Sunbury Victoria Australia

The planning of Jacksons Hill (a new suburb incorporating the former Caloola Training Centre at Sunbury) has involved:

- extensive site analysis;
- investigations to determine uses for a range of historic buildings on the site;
- public consultation;
- local structure planning;
- detailed subdivision planning;
- co-ordination of an urban design team responsible for the preparation of the Jacksons Hill Development Guidelines and detailed urban design issues;
- planning for a primary school, a school for children with special needs, neighbourhood centre, significant areas of open space and open space links, equestrian trail, areas of archeological sensitivity and the retention of many significant stands of existing trees;
- planning for the development and expansion of the Victoria University of technology at the centre of the site.
